

PRODUCT INFORMATION JAMES FLOOR CLEANER CLEAN & QUICK DRY

FLASK A - DAILY CLEANING

Purpose

- For the daily cleaning of all water resistant hard floors like vinyl, PVC, LVT, laminate, linoleum, marmoleum, cork, ceramic tiles, rubber, epoxy floors, natural stone and artificial stone floors
- Easy removal of soil and very fast drying, leaving no residue behind

Features

- Effortlessly removes dirt whilst mopping the floor and gives the floor a fresh look
- Based on alcohol, this ensures your floor will dry quickly
- The original appearance of your floor is retained
- Does not leave any residue on the floor
- Pleasant fresh scent
- pH value 7,5
- Proudly A.I.S.E. certified and biodegradable

Instructions for use

- Dilute James Floor Cleaner Clean & Quick Dry with water in the correct dosage
- Damp mop the floor using this solution
- Use a second bucket filled with fresh water to rinse your mop regularly, to keep the solution in the other bucket clean
- Leave the floor to dry completely

Notes

- Your water resistant hard floor can be protected using James Semi Gloss or James Extra Matt
- Always only damp mop moisture sensitive floors

Dosage

- Diluted, 50 ml in 1 bucket of water (8-10 l)

Detergent Regulation

Non-ionic surfactants: < 5%, BENZISOTHIAZOLINONE, perfumes, HEXYL CINNAMAL, LINALOOL
