

Quickly discover what a James product does or can do

Carpet and upholstery

Problem or function

Correct product

The total set for your carpet, rug, fabric furniture, box spring, car.
James Starterset Carpet & Upholstery: everything you need to keep your interior clean, fresh and stain-free. Stain removal and maintenance in one one, together with a Stain Wheel as a manual.

Freshen up and keep carpet & furniture clean.

James Interior Cleaner: removes general smudginess and areas where soiling occurs, such as walkways on carpet and skin fats on furniture. Can also be used on artificial leather and real leather.

Removal of water based stains from carpet & upholstery.

James Stainwonder: removes e.g. coffee, tea, red wine, soft drinks, blood and grass. Even old stains can often be removed easily!

Removal of oily and fatty stains from carpet & upholstery.

James Stainspray: removes shoe polish, glue, chewing gum, oil, tar and paint. Also very handy if you have oil in your curtain.

Cleaning of carpet & upholstery using a spray extraction machine.

Cleans very well without causing resoiling. (Extra) rinsing with water is not necessary.

James Cleansoft: especially for wool yarns (and goat hair).

James Cleanmaster: synthetic yarns (natural yarns other than wool).

Preventive protection of carpet, upholstery and (PU) leather.

James Fibre Protector Eco: unique, invisible, odourless and environmentally friendly fibre protector, free from hazardous substances. Protects all textiles and (artificial) leather and makes it water and dirt repellent. Cleaning and (stubborn) stain removal with the James products remains possible.

Hard Floors

Problem or function

Correct product

The complete set for your floor (like vinyl, PVC, LVT, laminate, stone, etc).
James Starterset Hard Floors: for a perfectly clean new floor. The first thorough cleaning, daily maintenance and removing stubborn stains (such as glue residue, dried wall paint and shoe markings) safely, all in one set!

Initial clean & thorough cleaning twice a year.

James Basic Cleaner: for a spotless & clean floor from day one. Periodic use of James Basic Cleaner keeps the floor perfectly clean. Complaint? Spots or streaks? A dull or shiny floor? Solved in no time!

Extra protective layer, extends lifespan.

James Semi Gloss and Extra Matt (is unique!): opt for it after installation, or if the floor is damaged / scratched. Smart tips: floor too matt or too shiny? Or a small difference in gloss between the planks? Solves it!

The foolproof daily cleaner. Always good for every floor.

James Floor Cleaner Clean & Quick Dry: dries quickly, smells fresh, leaves no residue, no layer build-up and the appearance of the floor does not change. Even overdosing is no problem at all.

Remove superficial scratches while mopping.

James Floor Cleaner Protect & Restore: if a polish is not desirable or possible. Longer drying time, approx. 45 min. and DO NOT step on the floor! Tip: empty one bottle, then switch back to James Floor Cleaner Clean & Quick Dry (flask A).

Safely remove stubborn stains; without damaging the floor.

James Remover: removes a.o. felt-tip pen, glue residue, paint, nail polish. Never use benzene, turpentine, nail polish remover, sticker remover; this leaves a dull spot, the floor is then damaged.
