

PRODUCT INFORMATION PARQUET CLEANER FOR (HARDWAXED) OILED FLOORS

CLEANING AND NOURISHING

Purpose

- Periodic streak-free cleaning and at the same time maintenance of an oiled or hardwaxed oiled floor parquet floor
- Easy removal of soiling and nourishment to keep the floor in top shape

Features

- The carefully formulated formula is vegan and offers the perfect balance between cleaning and gentle care
- Gives the floor a matte look and leaves a protective layer
- Biodegradable and proudly A.I.S.E. certified
- Easy to use and has a pleasant fragrance
- pH value: 9.5 - 10.5

Dosage

- Periodic cleaning: diluted, 150ml to 1 bucket of warm water (8-10l)
- Do you mop very regularly (e.g., because of pets)? Then use a lower dosage

Instructions for use

- Mix the Parquet Cleaner in the correct dosage with warm water
- Damp-wipe the floor with this solution using a soft mop or microfiber cloth
- Use a separate bucket filled with clean water to clean your mop between uses, that way the mop water in the other bucket stays clean
- Let the floor dry; do not wipe or walk on it

Note

- Does your floor look spotty? Underdose the parquet cleaner (use less than recommended) for a few mops, until your floor is beautiful again!
- Always damp mop the floor (not soaking wet)

Detergent Regulation

Soap: 15-30%, EDTA and salts thereof, non-ionic surfactants: < 5%, perfumes
